

infoVia Achieves Remarkable 170% Growth and Sets Sights on Continued Success in 2024

Boise, Idaho, – infoVia, a leader in data strategy and execution, today announced its continued upward trajectory building upon the exceptional growth in 2022, with a staggering increase of over 170% in revenue.

This achievement is attributed to the company's strategic approach to diversifying its service offerings, expanding crucial partnerships, and implementing financial efficiencies.

infoVia's astonishing growth in 2023 reflects the company's unwavering commitment to delivering high-quality services that meet the evolving needs of its clients. By diversifying its service offerings, infoVia has positioned itself as a versatile and forward-thinking player in the industry, capable of adapting to changing market dynamics.

infoVia has served as a strategic partner and extended team to many organizations helping organizations align data strategies with business goals, optimizing data processes, and fostering a data-driven mindset throughout the organization. Leveraging over 35 successful Data Vault designs and implementations around the world, infoVia brings peace of mind to growing organizations through simplified and secure data management.

One key driver of infoVia's success has been the expansion of strategic partnerships. The company has forged valuable collaborations that have not only expanded its reach but have also enhanced its ability to provide comprehensive solutions to its clients. These partnerships have allowed infoVia to offer a wider array of services while maintaining its reputation for excellence.

Additionally, infoVia's dedication to financial efficiency has played a pivotal role in its remarkable growth. The company's commitment to prudent financial management has enabled it to make strategic investments, optimize operations, and ensure sustainable profitability.

"Our outstanding growth in 2023 is a testament to the hard work and dedication of our team, as well as our strategic vision," said Mike Magalsky, CEO at infoVia. "We are thrilled with the results we achieved last year, and we are excited to continue this upward trajectory in 2024. Our clients can expect even more innovative solutions and outstanding service as we move forward."

As infoVia enters 2024 with strong momentum, the company remains focused on delivering exceptional value to its clients and partners. With its proven track record of success and a commitment to innovation, infoVia is well-positioned to drive growth and make a lasting impact in the data consulting sector.
